SCHOOL PHILOSOPHY

Bhagvati Public School is the place where

Arti Katoch
Principal
(M.Sc Phy., M.Phil. B.ed)

- * We aim to preserve and enhance the highest standards of excellence and prepare generations for the 21st century. BPS students are helped to master the expanding horizons of Technology and also become the repository of a deep commitment to Indian ethos and culture in its pristine form.
- * BPS students are equipped to access the best opportunities of growth and advancement by being prepared linguistically and culturally for them. The concept of enlightened citizen of the world will be the backdrop of the world will be the backdrop of all the endeavors.
- * BPS is available to best minds at the most reasonable and affordable cost. It is good to have an end of journey towards but it is the journey that matters in the end.

ABOUT SCHOOL

Far from the madding Crowd, Bhagvati Public School Co-educational Day Boarding School is situated on Nadaun Hamirpur National Highway 5Km from Nadaun. The school is spread over sprawling 5 acres campus in sylvan surroundings and salubrious weather conditions.

Bhagvati Public School has already established a tradition in the pursuits of excellence in every field- academic standards, development of integrated personalities and in virtues of healthy mind in a healthy body. With us every student receives individual attention and maximum comforts possible. It is our holistic endeavour to make education a meaningful and enjoyable experience for children.

As a public school we aim to cast the net of opportunity wide so that every talent gets its chance to develop. Our aim has always been to develop the best to face the challenges of a changing world through emphasis on self-discipline, highly integrated achievements and physical fitness. Although we value academic success highly yet we appreciate that other qualities are equally important to be successful in life by creating a positive environment and wide range of educational experience, we provide opportunity for every pupil to achieve excellence in practical intellectual, cultural and sporting pursuits. Our pragmatic philosophy remains that each student has the ability to achieve success in some areas of life, given suitable guidance and encouragement. Our teaching methodology stimulates self-learning through well formulated project works, which ultimately provides education for life skills rather than for survival skills.

BHAGVATI PUBLIC SCHOOL FOR EDUCATION, the school for genius is indeed a school with a difference What makes us different?

- * Quality-embedded education.
- * The state-of-art high-tech, innovative and modern infrastructure.
- * Multi cultural atmosphere.
- * Exposure to new and emerging trends in teaching and learning.
- * A wide range of physical, cultural, intellectual, competitive and recreational activities.
- * Access to advanced work cultures.
- * Special strategies for gifted children.
